
Longitudinal Cell Count
Number of Cells
Time (Days)
Mean Superficial
Mean Wing
Mean Basal
Mean Stem
Stability Time

Variation of Superficial-Cell Number in Time and Between Replicates
Frequency
Number of Cells per Time

Variation of Wing-Cell Number in Time and Between Replicates
Frequency
Number of Cells per Time

Variation of Basal-Cell Number in Time and Between Replicates
Frequency
Number of Cells per Time

Variation of Stem-Cell Number in Time and Between Replicates
Frequency
Number of Cells per Time

Combined Q-Q Plots
Superficial
Wing
Basal
Stem
Normal Distribution
Ordered Values
Theoretical quantiles
